

## TOUR-QUALITY GREENS AND FAIRWAYS

### Benefits:

- Immediate and lasting color response
- Boost photosynthesis, plant & root health
- Promote turgidity, cleaner cut and a true roll
- Enhance fertilizer, fungicide and PGR response
- Lower disease pressure
- Improve tolerance against chemical and mechanical stress
- Mitigate lower irrigation water quality

**Apply To:** Golf greens, tees and fairways; Sports turf fields.

**Dosage:** Apply 6 to 8 oz per acre every 7 to 14 days, diluting in 50 gallons of water. Apply as a fine spray in the early hours of the morning. Reapply in case of precipitation within 2 hours of previous application.

**Storage:** Store away from direct light at room temperature. If frozen, thaw at room temperature before use.

**Precautions:** Aquaritin 19 Foliar Spray is non-hazardous, however personal protective equipment such as gloves and eye protection are recommended when handling. In case of accidental contact, wash with plenty of water.

**SILICON + 9 ESSENTIAL NUTRIENTS FOR EXCEPTIONAL TURF HEALTH**

## GOLF AND SPORTS TURF FORMULA

On one hand, synthetic Nitrogen (N) and Phosphorus (P) fertilizers have promoted the “green revolution” considerably raising food production and reducing hunger worldwide. On the other hand, excessive fertilizer use is known to cause a number of environmental and ecological problems, such as air pollution, soil acidification and degradation, water eutrophication, crop yield reduction and undermining sustainability of food and energy production.

Nanotechnology now offers a solution that addresses this conflict by dramatically lowering the N and P content and use rates while still delivering the results expected from conventional N and P fertilizers.

Guaranteed Analysis	%
Urea Nitrogen	0.480%
Phosphorus as P <sub>2</sub> O <sub>5</sub>	0.200%
Potassium as K <sub>2</sub> O	0.200%
Calcium as CaCO <sub>3</sub>	0.140%
Magnesium as Mg	0.140%
Iron as Fe	0.100%
Zinc as Zn	0.070%
Boron as B	0.010%
Molybdenum as Mo	0.004%
Silica as SiO <sub>2</sub>	6.000%

**Warranty:** Manufacturer’s and Seller’s liability is limited to replacing any product proven to be defective. Manufacturer and Seller are not liable for any direct or indirect loss or damage arising out of the use of this product.

Contains 33.8 fl oz (1 liter)

Treats up to 6 acres (2.4 hectares)
